

RIIWHS202E

Enter and work in confined spaces

Course content

This unit describes a participant's skills and knowledge required to enter and work in confined spaces in the Resources and Infrastructure Industries. It includes:

- Planning and preparing for working in confined spaces
- Working in confined spaces
- Exiting confined spaces
- Conducting housekeeping activities associated with confined space work.

Course duration

3 days

Outcome

Upon successful completion, students will receive a Statement of Attainment (*RIIWHS202E Enter and work in confined spaces*)

NATIONALLY RECOGNISED
TRAINING

Confined space training *(RIIWH5202E Enter and work in confined spaces)*

Introduction

You have been given this information sheet because your employer requires you to do some training with us, WDI (RTO code: 45367).

This information sheet is designed to tell you things you should know before filling out your Enrolment form.

You must read:

- **this information sheet**
- **AND**
- **the 'General pre-enrolment information for prospective students' information sheet**

before you can enrol in training with WDI.

If you want to talk about information in this sheet, or any aspect of your training, please contact us by phone on +61 413 313 848 or email us: info@wd.international

What the training will cover

This training covers the skills and knowledge to safely enter and work in confined spaces and to carry out associated work. It includes:

- Planning and preparing for working in confined spaces
- Working in confined spaces
- Exiting confined spaces
- Conducting housekeeping activities associated with confined space work.

Entry requirements

- Basic level of language, literacy and numeracy (will be assessed during enrolment process).
- Ability to speak and understand English – training and assessment will be conducted in English
- You do not need any experience, skills or knowledge in working in confined spaces.

How long the training will take

- 2.5 - 3 days – if you are undertaking the training in Australia.
- 3 – 3.5 days – if you are undertaking the training overseas (outside of Australia).

How and where training will take place

- Face to face training in your workplace (delivery of theory content and practice preparing required workplace documentation and using safety equipment).
- You are also required to spend approximately one (1) hour of your own time revising learning material you will be given.

How you will be assessed

- Written theory assessment.
- Practical demonstration of skills.

What you need to bring

- Photo identification
- Pen/biro
- Personal protective equipment (PPE):
 - Steel capped boots
 - Safety clothing (hi-visibility long pants and long sleeve shirt)
 - Hard hat
 - Safety glasses
 - Gloves
 - Hearing protection

If your employer's site policies require you to have additional or different PPE to that listed above, you must bring those items to training.

You must bring the above items to training each day. If you come to training without the right PPE, you may not be allowed to participate in training.

Cost of training

- Your employer will meet the cost.
- You may have to purchase PPE (identified above) if not available for use in your workplace.

What you get at the end of training

- Upon successful completion of the training and assessment, you will receive a Statement of Attainment (*RIIWH202E Enter and work in confined spaces*).
